FUN

**Summer
PASS**

outdoor pool

swim team • stroke clinics

Visit the AV Symington Aquatic Center for a summer of fun activities and stroke instruction! We have created a series of programs that offer something unique and specialized in the areas of stroke readiness and stroke improvement. These classes do not replace the value of the Learn-to-Swim program, but offer the ability to intensely focus on a particular skill or stroke to gain more confidence in your swimming and have fun along the way! There is something for every age and skill level. Check out what these classes have to offer.

In the case of inclement weather, decisions on swim classes will be made one hour prior to the start of class. Late cancellations may occur due to unpredictable weather conditions. Remember that swim classes may take place even though it may be raining outside. Refunds will only be given if classes are cancelled. Please call **703-737-7166** for inclement weather information. For more information about the cancellation policy, please see page 5.

Stroke Clinics

(Ages 6-14) Each one-day clinic held on Mondays, Tuesdays, and Thursdays will focus on a different stroke and/or skill through discussion, demonstration, water instruction, and drills. The stroke or skill will be broken down into its elements and each participant will receive feedback on how to make their stroke more efficient. These clinics are intended for those who are already able to swim the stroke, but want to improve. **Prerequisite:** Must be able to swim at least 25 yards of the stroke of focus. **Limited availability – advance registration strongly suggested.** All Stroke Clinics are held in the outdoor Lap Pool from **7:00-8:00pm**. This is a one-day event and there are no refunds or make-ups.
